Continuation of Substance of Interview including description of the general nature of what was discussed:

Examiner and her supervisor, T.K. Page proposed the following suggestions, which would place the instant application in condition for allowance: (1) To identify a stabilizing agent and incorporate the specific stabilizing agent into generic claim 18 (stabilizing agents are disclosed in instant specification, pg. 12 and Tables 2-4) and; (2) To incorporate the claim limitations of claim 20, which recites the 'total amount of oils in the oil mixture is at least about 5 wt % of the total weight of ingredients', into generic claim 18. Examiner also pointed out that the term 'tow' in claim 18, should actually read as 'two'. Attorney accepted and agreed to the Examiner's proposed suggestions. Examiner agreed to conduct an Examiner's Amendment making the necessary changes to place the application in condition for allowance. A Notice of Allowability will soon be issued.
